

EyePoint Pharmaceuticals Announces Pricing of Public Offering

November 17, 2021

WATERTOWN, Mass., Nov. 16, 2021 (GLOBE NEWSWIRE) -- EyePoint Pharmaceuticals, Inc. (NASDAQ: EYPT), a pharmaceutical company committed to developing and commercializing therapeutics to help improve the lives of patients with serious eye disorders, today announced the pricing of an underwritten public offering of 4,027,273 shares of its common stock at a public offering price of \$13.75 per share and, to certain investors in lieu of common stock, pre-funded warrants to purchase up to an aggregate of 3,272,727 shares of its common stock at a price to the public of \$13.74 per each pre-funded warrant, which represents the per share public offering price for the common stock less the \$0.01 per share exercise price for each such pre-funded warrant. The aggregate gross proceeds from this offering are expected to be approximately \$100.3 million, before deducting underwriting discounts and commissions and other offering expenses payable by EyePoint. In addition, EyePoint has granted the underwriters an option for a period of 30 days to purchase up to an additional 1,095,000 shares of common stock at the public offering price, less underwriting discounts and commissions. All of the shares of common stock and pre-funded warrants are being sold by EyePoint.

The closing of the offering is expected to occur on or about November 19, 2021, subject to the satisfaction of customary closing conditions.

Cowen and Guggenheim Securities are acting as joint book-running managers for the offering. Cantor is acting as passive book-running manager for the offering.

EyePoint intends to use the net proceeds that it will receive from the offering to advance EYP-1901 into and through Phase 2 clinical trials for wet AMD, DR, and RVO, as well as support our earlier stage pipeline development initiatives, and for general corporate purposes.

The securities described above are being offered by the Company pursuant to a shelf registration statement on Form S-3 (No. 333-258598) previously filed with the Securities and Exchange Commission (SEC) on August 6, 2021 and declared effective by the SEC on August 11, 2021.

The securities are being offered by means of a prospectus supplement and accompanying prospectus relating to the offering that form a part of the registration statement. A preliminary prospectus supplement relating to the offering was filed with the SEC on November 16, 2021 and is available on the SEC's website at www.sec.gov. The final prospectus supplement relating to and describing the terms of the offering will be filed with the SEC and also will be available on the SEC's website. Before investing in the offering, you should read each of the prospectus supplement and the accompanying prospectus relating to the offering in their entirety as well as the other documents that EyePoint has filed with the SEC that are incorporated by reference in the prospectus supplement and the accompanying prospectus relating to the offering, which provide more information about EyePoint and the offering.
